# Brecha Tavira Rose

**Material Type:** Marble

**Origin:** Portuguese Natural Stone

**Other Names:** Brecha Tavira #63, Café Rosita, Caramel Rose, Brecha Lioz, Brecha Dourada, Brecha Algarve

Brecha Tavira Rose is a Portuguese material from the Southern part of the country with a brownish rose background perfectly combined with white, pinkish, and brick-colored veining, as the unique geological formation of these materials allows. Very decorative.
