

Town Center Shopping Mall

Boca Raton, Florida, United States

Paving in the strongest Portuguese limestones for this mall in Florida: 1,3cm thickness cut-to-size material with a specific percentage quantification for the 3 "Ataíja" materials: 1.050sqm **Ataíja Cream**, 1.200sqm **Ataíja Blue** and 750sqm **Ataíja Mix**.

A fantastic outcome.

We also supplied 600sqm in **Blue Valley** material as the 'accent paving'.
