

Al Faisaliah Center

Riyadh, Saudi Arabia

Over 9.500sqm of tiles with 30,5*30,5*1cm used in honed pavements and polished wall coverings of fabulous bathrooms in Portuguese selected marble **Rosa Aurora Light**.

Besides the standard tiles, this project also included more than 6.500LM of edged-worked borders, 260 vanity tops and sets of shelves, 260 bathtub tops and another hundred of cut to size 2cm pieces.

To highlight: the supply of 220 pieces of polished marble with an exquisite inlay in bronze.

This project was also supplied with 740sqm of portuguese limestone, **Rosal CD** honed, in cut to size 4cm thickness pieces with over 2.500LM of labour-work (honed edges and false joints).
